Restore the matter stricken by said amendment, amended to read as follows:

SENSE OF CONGRESS; REQUIREMENT REGARDING NOTICE

SEC. 606 (a) PURCHASE OF AMERICAN MADE EQUIPMENT AND PRODUCTS.—In the case of any equipment or products that may be authorized to be purchased with financial assistance provided under this Act, it is the sense of the Congress that entities receiving such assistance, to the extent feasible, purchase only American-made equipment and products.

(b) NOTICE TO RECIPIENTS OF ASSISTANCE.—In providing financial assistance under this Act, the Head of the agency shall provide to each recipient of the assistance a notice describing the statement made in subsection (a) by the Congress.

SEC. 607. (a) None of the funds made available in this Act may be used for the construction, repair (other than emergency repair), overhaul, conversion, or modernization of vessels for the National Oceanic and Atmospheric Administration in shipyards located outside of the United States.

(b) None of the funds made available in this Act may be used for the construction, repair (other than emergency repair), conversion, or modernization of aircraft for the National Oceanic and Atmospheric Administration in facilities located outside the United States and Canada.

On motion of Mr. SMITH of Iowa, the House receded from its disagreement to the amendment of the Senate numbered 175 and concurred therein with the following amendment:

In lieu of the matter proposed by said amendment, insert:

SEC. 608. (a) Funds appropriated under this Act to the Legal Services Corporation and distributed to each grantee funded in fiscal year 1994, pursuant to the number of poor people determined by the Bureau of the Census to be within its geographical area, shall be distributed in the following order:

(1) grants from the Legal Services Corporation and contracts entered into with the Legal Services Corporation under section 1006(a)(1) of the Legal Services Corporation Act, as amended, shall be maintained in fiscal year 1994 at not less than the annual level at which each grantee and contractor was funded in fiscal year 1993 pursuant to Public Law 102-395; and

(2) each grantee or contractor for basic field funds under section 1006(a)(1) shall receive an increase of not less than 2.5% over its fiscal year 1993 grant level. Any additional increase in funding for grants and contracts to basic field programs under section 1006(a)(1) shall be awarded to grantees and contractors funded at the lowest levels per-poor-person (calculated for each grantee or contractor by dividing each such grantee's or contractor's fiscal year 1993 grant level by the number of poor persons within its geo-

graphical area under the 1990 census) so as to fund the largest number of programs possible at an equal per-poor-person amount; and

(3) any increase above the fiscal year 1993 level for grants and contracts to migrant programs under section 1006(a)(1) shall be awarded on a per migrant and dependent basis calculated by dividing each such grantee's or contractor's fiscal year 1993 grant level by the state migrant and dependent population, which shall be derived by applying the state migrant and dependent population percentage as determined by the 1992 Larson-Plascencia study of the Tomas Rivera Center migrant enumeration project. This percentage shall be applied to a population figure of 1,661,875 migrants and dependents. These funds shall be distributed in the following order:

(A) forty percent to migrant grantees and contractors funded at the lowest levels per migrant (including dependents) so as to fund the largest number of programs possible at an equal per migrant and dependent amount; and

(B) forty percent to migrant grantees and contractors such that each grantee or contractor funded at a level of less than \$19.74 per migrant and dependent shall be increased by an equal percentage of the amount by which such grantee's or contractor's funding, including the increases under subparagraph (A) above, falls below \$19.74 per migrant and dependent, within its State; and

(C) twenty percent on an equal migrant and dependent basis to all migrant grantees and contractors funded below \$19.74 per migrant and dependent within its State.

(b) None of the funds appropriated under this Act to the Legal Services Corporation shall be expended for any purpose prohibited or limited by or contrary to any of the provisions of—

(1) section 607 of Public Law 101-515, and that, except for the funding formula, all funds appropriated for the legal Services Corporation shall be subject to the same terms and conditions as set forth in section 607 of Public Law 101-515 and all references to "1991" in section 607 of Public Law 101-515 shall be deemed to be "1994" unless subparagraph (2) or (3) applies;

(2) subparagraph 1, except that, if a Board of eleven Directors is nominated by the President and confirmed by the Senate, provisions 20 and 22 shall not apply to such a confirmed Board;

(3) authorizing legislation for fiscal year 1994 for the Legal Services Corporation that is enacted into law.

A motion to reconsider the votes whereby the foregoing motions were agreed to was, by unanimous consent, laid on the table.
